Small colour deviations are possible.

Domus Classic

The central idea behind the Domus relax chair is to offer optimal seating comfort in peace and quiet.

Domus Classic Soft

The Classic mechanism simplicity and ergonomics

Lever manipulations belong to the past with the Domus Classic chair. The Classic mechanism can be easily adjusted by simply pushing yourself off. This chair first raises the legs, after which it is possible to further incline the whole chair. Obtaining a new seating position requires almost no effort.

Domus sofa bed

The Domus sofa bed is primarily a cosy sofa. However, this beautiful duo product combines the best of both worlds: soft seating comfort and sweet dreams.

During the day it is used as a comfortable sofa, at night it can be unfolded in a cosy bed. The Domus sofa bed is both space-saving and hospitable. An unexpected visitor or an extra guest can spend the night at your place without any problems.

User friendly

Folding and unfolding the bed happens quick and easy in 3 movements A fire-retardant mattress is included. The Domus Sofa bed is available in a small version (width: 90 cm) and a medium version (width: 100 cm).

Finishing and quality

A whole range of stained colours and upholstery possibilities helps you to integrate the Domus gamut perfectly in your institution.
