## Ingredient data sheet

According to 648/2004/EC , 907/2006/EC

Product identifier: Velox Wipes

| 10 % or more |                                    |                   |                        |
|--------------|------------------------------------|-------------------|------------------------|
| CAS          | Common chemical name or IUPAC name | INCI              | European Pharmacopoeia |
| 67-63-0      | propan-2-ol                        | ISOPROPYL ALCOHOL |                        |
| 7732-18-5    | Water                              | AQUA              |                        |
| 64-17-5      | ethanol                            | ALCOHOL           |                        |

| 0,1 % or over, but less than 1 % |                                                                                 |                          |                        |
|----------------------------------|---------------------------------------------------------------------------------|--------------------------|------------------------|
| CAS                              | Common chemical name or IUPAC name                                              | INCI                     | European Pharmacopoeia |
| 139734-65-9                      | Amines, n-C10-16-alkyltrimethylenedi-, reaction products with chloroacetic acid |                          |                        |
| 7173-51-5                        | Didecyldimethylammonium chloride                                                | DIDECYLDIMONIUM CHLORIDE |                        |
| 57-55-6                          | Propane-1,2-diol                                                                | PROPYLENE GLYCOL         |                        |

| less than 0,1 % |                                    |          |                        |
|-----------------|------------------------------------|----------|------------------------|
| CAS             | Common chemical name or IUPAC name | INCI     | European Pharmacopoeia |
| 5989-27-5       | d-limonene                         | LIMONENE |                        |
|                 | perfumes                           |          |                        |
